CLOTHING BENEFIT!**NOT FOR US—BUT FOR YOU.**

That you may be better acquainted with our methods, which consist of defying all competition and underselling everybody, and to better exemplify this to the people, we offer for the next few days a bargain in Suits that is unparalleled in the annals of this city. Never before in the history of ready-made clothing has it been possible for us or anybody else to offer such wonderful bargains. How we can afford to do it need not worry you; we will do the worrying for both.

We offer you the choice of all our \$15, \$14 and \$12.50 Suits at the uniform price of

\$9.98

a price that barely covers the making and trimming. Every Suit spick and span. Just from the factory. Artistic in the highest degree. Guaranteed in every respect. Every Suit on a parallel with the best custom-made tailoring. It is the sale of the year. We speak advisedly when we say that you will never have another opportunity to buy a Suit equal to those we offer at such an extremely low price. They won't last long at these prices, and an early inspection will save you time and money.
