

# NEW INSPECTORS AT CUSTOMS HOUSE

---

**Miss Helen Karon and W. A. Roycraft  
Assume Duties as Result of  
Competitive Examination.**

---

Miss Helen Karon, assumed the position of inspector in the local customs office yesterday, and William Albert Roycraft qualified in the same department. Miss Karon assumes the position vacated by Miss Irma Greenlee. The change was the result of the competitive examination held January 14 under civil service rules.

Miss Doe was first, Miss Karon second, Miss Tyler third and Miss Greenlee fourth. The law provides that the position shall be tendered to one of three obtaining the highest standing at the examination.

Miss Karon, resides in Superior and for some time has been in the employ of L. E. Waterman as stenographer, and has also filled the same position with the bag company.

Mr. Roycraft is the son of School Commissioner Roycraft, of Billings Park. The markings attained by both appointees were unusually high.
