

WOMAN CLAIMS BOYS ROBBED HER

Mrs. Morris Daneiko Says Purse Containing \$2.50 Was Snatched From Her.

Mrs. Morris Daneiko, of 308 West Second street, complained at police headquarters last night that she had been held up and robbed near First street and First avenue west. She said she did not know her assailants, but believes they were boys about 16 years old.

She said she was carrying a small sum of money in a chatelaine purse. Her two little daughters were with her. Despite the lighted streets and the number of people passing, the assailants darted in front of her, one of them snatching her purse, containing \$2.50. She clung to it for a time but the robbers were persistent, and finally succeeded in tearing it from her hands, making their escape.

Mrs. Daneiko furnished the police with a good description of the youthful thieves and a search is being made for them.
