
The family of Max Siegel will re-
move to Minneapolis in a short time.

Magnificent Colorings.

If you have artistic tastes and delight in perfect harmony of colors, you should come here to select your wall papers. There are artists in the wall paper business and we have the handiwork of the best of them. In picking this season's stock we ran across some with magnificent color schemes, and we would hate to have you miss seeing them. Would like to have you come early, and thus secure just the design that will suit you best.

C. A. JACK, The Druggist.

Items

"Drawn Through a Knot Hole."

That's how many people feel at this time of year. The system is trying to free itself from the winter sluggishness but cannot do it unaided. This is why SPRING TONICS are so necessary. They are to the blood what the spring house cleaning is to the home. They free it from the impurities gathered through living much indoors and leading a less strenuous life. All the good kinds of tonics are here.
