## Council To Hold Special Meeting This Afternoon and Discuss Hotel Matter.

---

Preliminary to action tonight on the matter of revoking the saloon license of Cook's European hotel, the city council will hold a special meeting in the council chamber at 3 o'clock this afternoon for the purpose of allowing Moses Cook to show why his license should not be revoked.

At a meeting of the committee on police and license last Monday afternoon Cook explained that he was proprietor of the saloon, but had nothing to do with the rooms in connection. His report to the committee was regarded by the council as insufficient.

Considerable time will be devoted at the meeting tonight to discussions of the proposed East Michigan street extension. Those who object to the extension will be heard shortly after the preliminary work of the council is finished. The ordinance covering the extension concedes certain right-of-way privileges to the Northern Pacific railroad for a sidetrack.
