

\$85 IS RAISED FOR RUSSIAN JEWS

RANGE BUREAU OF
THE NEWS TRIBUNE

EVELETH, NOV. 18.—

After a complete canvass of the Jewish people in Eveleth and Sparta, Messrs. Solomon, Sax and Morris Nathanson today reported that \$85 has been raised and collected for the suffering Jews in Russia. The money was sent this noon to Jacob Schiff at New York to be forwarded by him to the proper persons in Russia. Of the amount raised \$8.50 was donated at Sparta and \$76.50 in Eveleth. Mr. Sax is of the opinion that other range towns will raise contributions for the same purpose, and in the event that they do, he desires, as a well known Hebrew on the range, that each town make its own collection and also make the remittance direct to Mr. Schiff in New York.
