

# ABE LEVANT IS SENT TO PRISON

---

To serve 14 months of his sentence of five years for horse stealing, Abe Lavant, 22 years of age, who was convicted in this city three years ago and recently paroled, was taken in custody yesterday by an attendant of the state penitentiary at Stillwater and returned to that institution.

The crime for which Lavant was sentenced to the penitentiary was committed in this city when he and a companion secured possession of a valuable horse owned by L. D. Martin, by presenting a fraudulent order to the custodian of the animal, which the pair sold for a small sum of money.
