EVELETH, Nov. 24.—Chief of Police Kent on Thursday arrested Paoli, Domenico and Guillaume Picciano, three brothers, and John Bergstrom at the high school for the theft of three watches from H. G. Perlman. At the jail the Italian boys confessed the theft and said their mother had hidden the plunder under a mattress at home. Two of the timepieces were paid for and a third returned, after which the boys were liberated. Chief Kent says the next offense of this kind will result in a Red Wing term for the offenders.

An Austrian row in Matt Premozich's saloon yesterday resulted in the arrest of Joe Kavag, Frank Ambragich, John Kolar and Louis Kostolas, charged with disorderly conduct.
