

# NEW MOVING PICTURE THEATER IS OPENED

Under the management of Samuel Goldfish, the Majestic theater, a new moving picture and concert show house, has been opened at 2021 West Superior street. This is the first theater to open in the west end of the city, and although it has ben doing business only a few days, it played to capacity houses yesterday afternoon and evening. It is the intention of Manager Goldfish to give his patrons a first class entertainment for 10 cents.
