

CANTATA WAS GREAT SUCCESS

Eveleth School Children Gave Successful Christmas Enter- tainment Last Night.

(Range Bureau of the News Tribune.)

EVELETH, Dec. 21.—Everyone who attended the Christmas cantata given by the children of the Eveleth school in the high school assembly room last night was highly pleased, and none more so than Miss Ada McKenzie, principal of the Eveleth school. Children from all of the eight grades of the school participated while scholars in the high school contributed their services in leading musical parts. When seen this morning Miss McKenzie said she never was so pleased in her life as many people had said it was the best school entertainment they had ever seen. She said the teachers were very much indebted to Miss Cora Williams and Mr. Abe Feldman, of the high school, for their assistance, Miss Pauline Rabinowitz for her part as pianist and to the high school boys for ushering and shifting scenery.

The entertainment was known as the Christmas Chimes Cantata or Santa Claus' Dilemma and consisted of three acts, in which Santa Claus, Mother Goose, King Winter, Brownies, and nearly all the other famous characters in the mythology of childhood appear. It was given Thursday afternoon as a matinee for the children and in the evening for adults. The net proceeds amounted to \$90 and will be used in purchasing reproductions of works of art for decorating the rooms of the Eveleth school. Miss McKenzie is in Minneapolis today to visit leading artists' studios and in make a selection of pictures.
