

FRANK RABINOWITZ LETS CONTRACT FOR BUILDING

(Range Bureau of the News Tribune.)

EVELETH, Minn., April 26.—Martin O. Hegner of Superior was the successful bidder on Frank Rabinowitz's new building at the corner of Grant avenue and Pierce street, the plans for which were drawn by Radcliff & Price of Duluth. The contract price is not given out but it is said to be in the neighborhood of \$22,000. Mr. Hegner was here today engaging a contractor for the excavating.

The suggestion was made today that this new building would afford a place for club rooms for a club in the nature of the Virginia club or for the Business Men's association and Mr. Rabinowitz when asked if such was a possibility said he would consider a proposition of the kind. It would involve adding a third story which Mr. Rabinowitz would do if he could be assured an income from it. It is the first opportunity of the kind that Eveleth has had and there is reason to believe that a lease for this purpose would be backed by a large number of responsible business people.
