

ONE MORE CANDIDATE FOR MUNICIPAL JUDGE

(Range Bureau of the News Tribune.)

EVELETH, Oct. 31.—A petition is being circulated advancing the candidacy of Louis Finn for municipal judge. The petition follows close on the announcement that Mr. Finn was seeking the office and was not much of a surprise. He is the fifth candidate who has stated that he was out for the position and the race promises to be an interesting and close one.

Dr. C. W. Moore is unwilling to commit himself on the mayoralty subject but it is thought doubtful that he will make the run.
