

FINAL GENERAL DEBATE IS HELD

School Orators Line Up in
Preliminary—Team to Be
Selected Wednesday.

The Public Speaking club at Central High school met yesterday afternoon and held the last preliminary debate of the series. The affirmative was supported by Carl Shapira, Mervin Bondy and Robert Ely. The negative debaters, who won the decision, were John Quinn, Henry Zhatov and James Dunne.

The three judges, Prof. Lark, Prof. Sprague and Prof. Crull, will hold a special meeting after the debate and will announce the names of the best debaters in the school in a day or two.

These will then do battle next Wednesday morning at 9 o'clock in the assembly hall, and from these the best, together with an alternative, will be selected. This team will represent the school in all the interschool contests.
