

# FRUIT COMPANY STARTS FOR BUSINESS TODAY

---

The Minnesota Fruit company, recently incorporated under the laws of the state of Minnesota, will open its headquarters today at 320 West Michigan street, in the new building adjoining the Wright-Clarkson Mercantile company. The incorporators are Louis M. Goldberg and Moses Goldberg of Marion, Wis., and Peter Olsen of this city.

The firm is amply capitalized and the incorporators are experienced business men.

Mr. Olsen has been in the wholesale fruit trade in Duluth for the past 15 years, at first with the Fitzsimmons-Derrig company and later with the Knudsen-Ferguson Fruit company.
