

# EVELETH STUDENTS PASS STATE EXAMINATION

(Raaga Bureau of the News Tribune.)

EVELETH, June 12.—The exemptions from the final examinations in the high school classes have been posted and the large number is gratifying to the faculty of the school. This year's students passed more state examinations and with a better standing than any high school has ever done here before.

The pupils in her classes passing the state examinations with a standing of 80 per cent or above are as follows: Latin, Inga Bjornaas, Esther Ferris, Elvira Forsman, Maurice Levant, Mary McDonald, Anna Sholund; Caesar, Harry Anderson, Ida Ellsworth, Victor Mulligan, Harry Rabinowitz, George Peterson, William Saari; Cicero, Lily Nieminen, Hilding Sholund; German grammar, Harry Anderson, Victor Mulligan, Lily Nieminen, George Peterson, William Saari, Hugo Sholund; German literature, Paul Erickson, John Saari, Pauline Rabinowitz, Hilding Sholund.
