

# COLERAINE YOUNG MEN WILL GO TO COLLEGE

(Range Bureau of the News Tribune.)

COLERAINE, Sept. 23.—The Symphony orchestra and city band gave a banquet last evening at Hotel Fitger in honor of Julius Slegel, who will leave shortly for the University of Wisconsin to take up the course of mechanical engineering. During the past two years Mr. Slegel has been a leading draftsman for the Oliver Iron Mining company and has taken a leading part in local musical circles. Among those present at the banquet, besides the orchestra, were Superintendent M. Curley, Rev. Kileen and Editor Lamman of the Itasca Iron News. Several of the young men who have been in the employ of the Oliver Iron Mining company during the past few years have resigned their positions and will leave this week to enter college. Among them are Frank A. Edson, E. Ramquist and Hugh Hilton, who will attend the University of Wisconsin.
