

SOCIALISM STARTS A HOT SCRAP AT EVELETH

(Range Bureau of the News Tribune.)

EVELETH, June 20.—Three miners met in front of J. Thibaut's saloon last night and started to argue socialism. Two of the disputants went after the third and there was a small sized riot until the police arrived and arrested the offenders. Joe Champs tried to keep the police from arresting the disputants and he was fined \$25 by Judge Prince this morning. The other three men were fined \$10 and costs.

At almost the same time a fight took place at the Iron Range depot. A man who says his name is F. J. Smith picked a fight with Mr. Perlman of Gilbert. He said Perlman owed him a sum of money. Smith was arrested and fined \$10 and costs.
