

# WILL TAKE LONG HIKE TO THE TWIN CITIES

---

In order to toughen up for the football season this fall the members of the Tiger football team will take a hike to the Twin Cities. They will leave the eighth of August and expect to be about ten days on the road.

This is only one way in which they train, all the boys being of athletic tendencies, but the success of the hikes taken by the Y. M. C. A. boys has fired their blood to such a degree that only a repetition of it will satisfy them. They intend to go them one better, for after resting in the cities they will return in the same manner.

The boys who expect to become future Westonites are Roy Murnian, Sam Abrahamson, Isadore Fieldman, Webster Briggs, Roy Drake, Thomas Doyle, Arthur Robillard and Cliff Gerard.
