Five Years

of Heart Trouble Cured by Dr. Miles' Heart Remedy

"Before I began taking Dr. Miles' Heart Remedy I had been suffering from heart trouble for over five years. I had pains in my left side, and under my shoulder blade, could not sleep on the left side, and was so short of breath the least exertion would bring on the most distressing palpitation. I had scarcely taken a half bottle of the Heart Remedy before I could see a marked change in my condition. When I had taken six bottles I was cured."

MRS. C. C. GORKEY,
Northfield, Va.

If there is fluttering or palpitation it is an indication of a weakness of the nerves and muscles of the heart. It is not necessarily diseased—just weak from over-work. The heart may be weak just the same as the eyes, stomach or other organs. You can make a weak heart strong by taking Dr. Miles' Heart Remedy. Get a bottle from your druggist, take it according to directions, and if it does not benefit he will return your money.

SIMPLE CURE FOR STOMACH TROUBLE

More Digestive Juices and No
Fermentation in Your Stomach
Will Rid You of This Trouble.

If what you just ate is souring on your stomach or lies like a lump of lead, refusing to digest, or you belch Gas and Eructate sour, undigested food or have a feeling of Dizziness, Heartburn, Fullness, Nausea, Bad taste in mouth and Stomach headache—this is Indigestion.

A full case of Pape's Diapepsin costs only 50 cents and will thoroughly cure the worst case of Dyspepsia, and leave sufficient about the house in case some one else in the family may suffer from Stomach trouble or Indigestion.

Ask your pharmacist to show you the formula plainly printed on these 50-cent cases, then you will understand why Dyspeptic trouble of all kinds must go, and why they usually relieve a sour stomach or Indigestion in five minutes. Get a case now and eat one Triangule after your next meal. They are harmless and taste like candy, though each contains power sufficient to digest and prepare for assimilation into the blood all the food you eat, besides, it makes you go to the table with a hearty, healthy appetite; but, what will please you most is that you will feel that your Stomach and intestines are clean and fresh, and you will not need to resort to laxatives or liver pills for Billiousness or Constipation.

This city will have many Diapepsin cranks, as some people will call them, but you will be cranky about this splendid stomach prescription, too, if you ever have Indigestion or Gastritis or any other Stomach misery, and eat just one Triangule of Diapepsin.
