

KEEWATH DECIDES TO CELEBRATE JULY THIRD

(Range Bureau of the News Tribune.)

KEEWATHIN, June 22.—At a meeting of the commercial club it was voted to celebrate the nation's independence day July 3 and the following committee was appointed to solicit funds: P. J. Carmody and Isadore Karon. Up to tonight \$750 had been pledged and a good many citizens had not been visited. Although only three years of age, Keewathin expects to give one of the best celebrations on the range. During the past two years there has been no operating mine here, but the citizens had faith in the future of the town and are now about to realize their expectations. Many improvements are being made, streets are being opened up and a village hall to cost \$20,000 is to be constructed.
