Little Things Annoy or Please Us

Little things annoy us—the little curl of smoke that, if left alone, would soon smudge the furnishings and make work for the house-wife.

There are no annoying little things in the

PERFECTION Oil Heater

(Equipped with Smokeless Device)

They've been banished by hard thought and tireless work. In their stead there are little things that please—that make for comfort and satisfaction. The little self-locking

Automatic Smokeless Device

that actually prevents smoke—the little lock on the inside of the tube that holds the wick in check—keeps it below the smoke zone, so accurately adjusted that it cannot go wrong—these are some of the little things that please—that have contributed to the name and fame of the Perfection Oil Heater.

The most satisfying heater you can buy—always ready—easy to manage—always dependable—quickly cleaned.

Brass font holds 4 quarts—burns 9 hours. Attractively finished in Nickel or Japan in various styles and finishes.
