

GRADE SCHOOL BASEBALL LEAGUE IS ORGANIZED; ATHLETIC MEET TONIGHT

The grade school baseball league has been organized with six members, the Jefferson, Washington, Franklin, Jackson, Bryant and Nettleton schools. The first game will be played next Tuesday, although the schedule has not been drafted as yet. The Washingtons won the championship last season and will have nearly the same line-up this year.

Henry Azinsky, one of the pitchers for the championship Washington team, was elected president of the league and Louis Larson was made secretary.

The grade schools will have the first of their indoor athletic meets today at the boys' department gymnasium. The competition today will be for the grade schools west of Lake avenue and that of tomorrow for the schools east of the avenue. The winners in each meet will be matched for the city championship next week.

The events to be contested are the high jump, broad jump, potato race, relay race and pull up.
