

COASTER HAS HIS LEG FRACTURED

Isadore Abrahamson Victim of Accident on Fifty-Seventh Avenue West Hill

While sliding down the hill on Fifty-seventh avenue west last evening Isadore Abrahamson, 15 years old, son of Morris B. Abraham, 606 North Fifty-seventh avenue west, sustained a fracture of the left leg as a result of running into the curbing.

The accident happened about 9:30 o'clock. The young man had just ridden to the top of the hill on a street car and asked Joe McCormick, a member of a coasting party if there was room for him on his sled. Being answered in the affirmative he got on the rear end. After going some distance the sled struck some rocks on the avenue and veered toward the curbing, striking it with great force.

Abrahamson was taken to his home by the young lads in the party. Dr. Keyes was called to set the limb.
