Exercises at Temple Emanuel To-  
day Will Be Entirely in  
Hands of Children.

---

A religious service that will be entirely in the hands of the children will be held this afternoon at 2:45 at the Temple Emanuel in connection with the observance of the Feast of the Tabernacles. Singing, reading, praying, and preaching will all be by the children.

The service will be divided into two parts, the first of a religious nature and the second consisting of a program of recitations. Following this the children will adjourn to the rest room where a beautiful tabernacle has been built, elaborately decorated with fruits, vegetables and grains, and where refreshments will be served. This evening there will be a social gathering in the rest room of the church for the adult members of Temple Emanuel congregation.

The feast of the Tabernacles will close next Wednesday at sunset.
