

MRS. POLINSKY HAS FAITH IN HUSBAND

Mrs. Albert Polinsky was called in district court yesterday as a witness in the case of Joseph E. Fox versus Albert Polinsky, for alienation of the affections of Mrs. Fox, and testified in behalf of her husband. In her testimony Mrs. Polinsky expressed faith in him. She was followed by Mr. Polinsky, who gave a detailed statement of all his business and social affairs with Fox and his wife. Most of these are money transactions which were explained by Mr. Polinsky. The defendant was on the stand when court adjourned.
