Sam Rosenzweig, Bellboy at the Frederick, Is First at Postal Bank.

Ten Depositors Visited Postal Bank During the Day and Total Business For Day Amounted to \$155—Sam Says He Woud Have Deposited More Than Three Dollars If It Hadn't Been First Day of New Year.

The Grand Forks branch of the Federal Postal Savings bank opened at the local postoffice Saturday morning, Sam Rosenzweig, aged 16, son of Mr. and Mrs. Louis L. Rosenzweig, 708 South Third street, was the first depositor. Before the office was closed for the first day's business, 10 had deposited their savings with the government for safe keeping. The entire deposits represented a total sum of about \$155.

Sam Rosenzweig is a bell boy at the Hotel Frederick, and for some time prior to the opening of the local bank has had his mind set on being the first one to make a deposit. He was on hand at about 8 o'clock Saturday morning, and waited around until the window was opening for the transaction of business. He deposited the sum of \$3, at the same time stating that if it had not been the first day of the Jewish New Year he would have been able to get hold of more of his money and deposited that with Uncle Sam.

Assistant Postmaster Dunlap, who is in charge of the local savings bank, stated Saturday that the sale of savings cards and stamps was quite heavy during the day. Each postal savings card contains blank spaces to which savings stamps may be affixed at any time. When a postal savings card with nine 10-cent postal savings stamps affixed will be accepted as a deposit of \$1. As the government will not accept deposits of less than \$1 these cards and stamps are sold to enable depositors to save their spare change, preparatory to depositing it later on.
