

TRAVELERS AS ENTERTAINERS

Minstrel Show Given by the Local U. C. T. Council Is a Great Success.

LYCEUM THEATER IS
PACKED FOR EVENT

Pronounced One of Best Amateur Performances Ever Given in Duluth.

The minstrel show put on last night at the Lyceum theatre by Zenith council No. 40, United Commercial Travelers, was one of the best entertainments of its kind that has ever been presented in Duluth by amateur talent. There was a crowded house.

E. N. Haagenson's political address in Swedish dialect brought down the house. The solos were all of high merit. There were many local hits on prominent members of the U. C. T., well known business men and others. The chorus work was excellent. The end men did fine work and Burt Holcomb showed that he is efficient as an interlocutor. The singing by Warren and Quinn made a hit as did Stanley Lamb in his song "Cheer Up Brothers." The Scottish Rite quartet, consisting of Don Cole, A. R. Bjorquist, C. O. Applehagen and Don G. Gearhart, came in for a good share of the approval of the audience. The solo by the boy soprano, Donald Alexander, was acknowledged to be one of the finest numbers on an excellent program.

The members of the entertainment committee were: J. D. Sattler, E. N. Haagenson, Bentley P. Neff and C. W. Sutton. The members of the show staff were as follows: Joseph D. Sattler, manager; A. F. M. Custance, director; Sattler, Haagenson, Neff and Sutton. Burt Holcomb was interlocutor. The end men were Guy Warren, John Quinn, Ed. Wanless and Stanley Lamb.

The boy sopranos were the following from St. Paul's church choir: Donald Alexander, Fred Currier, James Cole, Carl Fritzen, Clarence Cole, Clarence Cox, Thomas Cole, John Fritzen, George Watts, George Cole, Henry Hauck and John Wilcox.

A. F. M. Custance was the general director and Leon Eberhart was the stage manager.

The money raised by the minstrel show will be added to the fund which is being acquired to take a band to Fargo to the traveling men's convention. A large number will go from Duluth by special train and stops will be made along the route and boosting will be done for Duluth, both en route and during the days of the convention at Fargo.
