

MAX BLOOM STILL HERE.

Max Bloom in "The Sunnyside of Broadway" will give three more performances in Duluth, a matinee this afternoon and two performances tonight. Mr. Bloom and his dancing horse became immediate favorites here and thousands have laughed at the funny antics of "Abe" and his horse "Rebecca." Ten of the latest songs hits have been interpolated into the action of the play among which are "The Stage Doo! Johnnie," "When Tommy Atkins Does the Texas Tommy Dance" and "Under the Piazza Tree."
