VIRGINIANS WILL ATTEND EVELETH ARMORY OPENING

The Local Delegation Headed by the Virginia Members of the Eveleth Militia. Expect to Make a Good Showing at the Armory Dedication—State Officers, Including Governor Adolph O. Eberhart, State Treasurer Walter J. Smith, Eveleth, and Others Will Speak. While Efforts Are Being Made to Have Pres. Vincent, of the State University, On the Program—The New Structure Is a Model and Virginia Should Seek Similar Building—Grand Ball Will Follow Dedication—Visitors Are Assured Much Pleasure.

The new \$35,000 city armory—auditorium erected at Eveleth by the city will be opened this evening, with scores of Virginians headed by militiamen of this city in attendance. Governor Adolph O. Eberhart, State Treasurer Walter J. Smith, Eveleth, and other prominent speakers will make appropriate remarks, while efforts are also being made to secure Pres. George E. Vincent, of the state university, to give the principal address.

A ball will follow the dedicatory exercises, music being furnished by the Pianos Orchestra and First Regiment Band, leading Duluth musical organizations. Invitations have been sent out for the affair which promises to attract one of the largest range crowds of the year. The new building is a model in every respect, being designed by Anthony Puck, Duluth, the architect who also planned the remodeling work on the Alexander Reid block in this city. The large auditorium which will be used for the ball and program is the best in the state, while the stage will accommodate many large road attractions, being arranged on the plan of metropolitan theater stages.

Rooms for the officers of the militia have also been arranged, they being sure to interest the Virginia visitors. The auditorium is large and commodious and will seat several hundred people. The new armory-auditorium is easily one of the leading structures on the range, and Evelethians are taking much pride in their building.

The armory floor will also be used for athletic contests, and Virginia teams contesting with Eveleth aggregations will find the auditorium furnishing one of the best basketball floors in the state. The new building is situated next to the new Eveleth fire hall, also a model building, adding materially to the appearance of Eveleth streets.

1909 Class Memorial Received Today.

A bronze bust of Ex-President Theodore Roosevelt, the memorial of the Class of 1909 of the Virginia High School, was today received by the school authorities from the Horace K. Turner Art Company of Boston, Mass., and will be installed in the school building. A metal tablet attached to the bust contains the Class Roll, as follows:
John P. Bonner.
Charles Butler.
Gertrude M. DeNoble.
Herman J. Eaton.
Lambert S. Gill.
Agnes J. Hovland.
Lulu M. Martin.
Stephen E. Quayle.
Gerald C. Roshilly.
Mary M. Savolainen.
Ida Schmelling.
Ray Simons.
Viola B. Slavick.
Bertha G. Smith.
Anna Staff.
Gertrude Steinberg.
Kmelina A. Wilkes.

St. Paul's Church.

Morning prayer and sermon, 10:30 a. m. Sunday School 12 m. Evening song and sermon, 7:30 p. m.

On Thanksgiving day there will be the early celebration in the church at 7:30. Having already had our Harvest Home service there will be no later service and the congregation is invited to attend the union services which are to be held in the Presbyterian church at 10:00 o'clock.

The St. Mary's Guild will meet on Tuesday afternoon with Mrs. Holway.

Confirmation instruction on Friday afternoon, for children, at four o'clock; for adults, Friday evening at seven thirty.

Hans J. Wollner, Rector.

Range Bar Association Meeting Tomorrow.

The Range Bar Association, of which Judge Freeman of Chisholm is president, will hold a meeting at the court house in this city tomorrow morning, for the purpose of talking action on the question of a successor to Justice Brown and to consider matters of needed legislative action.

Ethel Will Hold Lodge of Sorrows.

Virginia Lodge No. 1008, B.P.O.E., will hold annual memorial services on Sunday, December 1st, at the Lyric Theatre, at 4:30 p. m.

Frank Moylan, of the Ormonde Hotel, visited at his former home at Eveleth Sunday and Monday.

COUNTY DIVISION CLUB MEETING TOMORROW

Second Meeting of Organization Will Be Held in this City Tomorrow Afternoon at the City Hall With President Victor L. Power, Hibbing, and Secretary William J. Archer, Virginia, in Charge—Large Attendance is Expected and Many Measures Will Be Considered—Vermilion and Mesaba Ranges Will Be Represented and Various Means of Inducing the Next Session of the State Legislature to Act Favorably on County Division Discussed—Much is Expected to Result at the Gathering and County Division Advocates are Hopeful of Victory—Many Papers are Supporting County Division and a Hot Campaign Will Be Waged—Virginia Conceded the County Seat.

Secretary William J. Archer, of this city, has issued a call for the second meeting of the St. Louis County Division club to be held in this city tomorrow afternoon at the city hall at 1 o'clock. President Victor L. Power, the well known Hibbing attorney, will be in charge of the meeting and a large delegation from Hibbing, Chisholm and other Mesaba range points is expected.

Word has been received from Gilbert, Biwabik and other points to the east of this city to the effect many residents of those mining towns will attend the gathering. Several Virginians who are taking much interest in the gathering expect a large attendance at the meeting and are working hard to make the session a success.

Though there has been some opposition from the Vermilion range, the local members of the club are hopeful that several Towerites and others from the old range will be present.

Among the things to be discussed at the gathering tomorrow is that of inducing the next session of the state legislature to pass a bill providing for an election to be held at which the matter of dividing the county will be voted upon. This is to be followed by an election of officers for the new county, providing the first election carries in favor of county division.

Many range papers and strong residents of the range are very enthusiastic over the county division move and as yet no newspaper opposition to the division proposition has appeared. The club officials will make a hard fight and will be at St. Paul next January to work for the bill, not depending on the county delegation.

GILBERT SCHOOL TEACHERS CONTINUE THEIR SATURDAY TRIPS TO VIRGINIA

A large delegation of Gilbert school teachers headed by Misses Cox and Costin were in this city Saturday afternoon visiting and shopping at local business places. They are well pleased with the large stocks being displayed by Virginia merchants and prefer to trade here rather than in Duluth. With the advent of the street car line it is expected many eastern Mesaba range residents will visit this city regularly on business.

FORMER VIRGINIANS PURCHASES PART OF EVELETH STOCK

Word has been received that Isidor Shandling, formerly of this city and an old member of the Shandling Bros. company, who is now engaged in the clothing business at Eveleth, had purchased the stock of Nichols & Griswold, pioneer Eveleth clothiers. M. E. Nichols, of the firm, plans to leave soon for western points, while his partner, Henry Griswold, a leading stockholder in the Home Heating & Electric company, Eveleth, will continue to reside in the city to the south of Virginia.

GREEKS CONTINUE TO GO TO THE FRONT

Local Greeks continue to leave for the scene of strife between Turkey and Montenegro which is being waged in the east, as was evidenced Monday noon by the departure of Joseph Papos, formerly porter at the Ormonde Hotel, who is hurrying to the front. Hundreds of Greeks, Bulgarians and other foreigners have left the range this summer for the war and are showing much patriotism. Local Greeks who were unable to make the trip are watching the outcome of the war closely and are confident their countrymen will be returned victors.

Lair Bros. Add to Equipment.

Lair Bros., dyers and cleaners, are keeping step with the march of progress in Virginia and have this week installed in their Chestnut street office an electric cleaning and pressing machine, doing away with the old method of hand cleaning. The work is completed while you wait, the machine being operated by an expert from Minneapolis and attracting much attention. The innovations will be followed by other improvements to their establishment to care for the wants of their increasing patronage.

PAVING SEASON COMES TO SATISFACTORY CLOSE

General Contracting Company, Minneapolis, Which Firm Had Sub-Contract for Bitulithic and Cresoote Block Paving From Warren Bros., Completes Work Last Week—Over Three Miles of Pavement Laid and More Work Planned for 1913—City Proper Has Majority of Thoroughfares Paved, While North Side and Additions Will Be Given Improvements Later—Work Supervised by City Engineer E. F. Johnson—Last Estimate Soon to be Granted by City Council—Curb and Gutter Work Completed Last Month by C. C. Butler, Virginia.

Last Friday the General Contracting company, of Minneapolis, completed the sub-contract received from Warren Bros., Boston, for the laying of bitulithic and cresoote block pavement on many streets of this city, after three months work under the direction of James Leighy, Minneapolis, and the supervision of City Engineer E. F. Johnson.

Among the avenues which were improved by the laying of the paving materials are the following: Virginia, Central, Cleveland, Wyoming and Mesaba, while many streets both on the north and south side of the city were also paved. The streets on the south side were paved as far as Hickory street although a few blocks are to be paved on Beech street from Cleveland to Mesaba avenue. Outlines for next year's work also includes much paving on both the north and south side, the completion of which will make the Virginia thoroughfares the best in the northwest for a city of this size.

Over three miles of pavement was laid by the contractors, an equal amount of bitulithic and cresoote block being used. The curb and gutter work was done by Contractor Charles C. Butler, of this city, who also laid many miles of sidewalk pavement. Many more blocks of sidewalk will be laid next year.

The space between the street car tracks on Sage street and also along Wyoming avenue has also been paved with cresoote block, giving the thoroughfares a uniform appearance. Some repair work was also done on side street pavement by the Minneapolis firm, while a few local residents had the company do private paving on their premises.

The last estimate of the work of the paving will soon be granted by the city council, while Contractor Butler was awarded the amount of his contract at a recent meeting of the aldermen.

VIRGINIAN AIDS IN CHICAGO CHARITY WORK

Chicagoans are making good in the charity line by selling donated dolls to the highest bidders, the proceeds derived being given to the poor. Many of the Chicago clubs plan a doll pageant for next month at the La Salle Hotel and several theatrical companies have made arrangements to donate dolls. Among the theatrical managers who will give dolls is Jacob Wilk, who spends the summer here with his parents, Mr. and Mrs. M. L. Wilk, Beech street. In connection with the donation the Chicago Examiner in the Monday issue had the following article, "Jacob Wilk, of the 'Bunty Pulls the Strings' company, now on the road, will dress a doll with Miss Molly MacIntyre, the 'Bunty,' in a duplicate of one of Miss MacIntyre's costumes."

HIBBING COURT TERM CLOSED WEDNESDAY

U. G. Holloway, deputy clerk of the district court, returned Wednesday afternoon from the Hibbing term of court, the jurors finishing their labors on that day. The Hibbing court term opened on Oct. 26th, and the calendar was a light one, only forty cases being considered. John Dickinson was the only Virginian serving on the petit jury.

The next term of court will open here December 3rd, the full calendar being compiled by next Tuesday. Deputy Sheriff Charles Groenberg and William Mollan were among those present at the Hibbing sessions of the November term.

Last Saturday sixty-five applicants for citizenship papers were sworn in by Deputy Clerk U. G. Holloway, with Judge Martin Hughes in charge of the court. Ninety-two had made inquiries regarding citizenship papers, but the number of applications fell below the district court clerk's expectations.

The probate court will be in session the last week in the month with Judge S. W. Gupta in charge. Juvenile court terms are being held every third Saturday in the month in this city and every first Saturday in the month at Hibbing. Judge Martin Hughes being in charge of all the cases.

We wish to announce to the ladies of Virginia that we have succeeded Mrs. Margaret Boutan at the Virginia Hair Shop, and that it will be our pleasure to meet all our endeavor to satisfy the most particular patrons. The Misses Makin & Nangle, Rooms 9-10 Matheson Block.

THE FORTUNE HUNTER

America's Best Comedy. Two Years in New York. One Year in Chicago.

Everyone who follows the current history of the theater has heard of Winchell Smith's comedy, "The Fortune Hunter" and its enormous success in New York and Chicago, where it has been acclaimed the best play in recent years.

"The Fortune Hunter" is scheduled for presentation at the new Auditorium, Eveleth, Sunday matinee and night, under the direction of Rowland and Clifford, who has sent this famous play on the road complete in every detail. "The Fortune Hunter" is one of those marvelous plays and productions of the theater with a universal appeal; it has never had an unfavorable criticism from the dramatic writers of the public and the leading clergyman in New York and Chicago have praised it from their pulpits as being their ideal of a perfect play.

As implied by the title, the plot revolves around the matrimonial ambitions of a youth who would with one stroke gain colossal bliss and sinful wealth. Henry Kellogg, a Wall Street Moth, conceives a brilliant campaign for marrying money, but ere he has time to put his plan into execution he is promoted to a partnership in his firm and acquires money without what he conceives the drawback of matrimony. Hence he draws his scheme along to his impecunious friend Nat Duncan. His instructions are brief, go into a town of about two thousand inhabitants, look well, dress well, abjure liquor and tobacco, go to church and take your pick of the village heiresses. Nat Duncan begins such a campaign and the story relates his success which turns to ashes when he falls in love with a noble hearted poor girl. He is redeemed by work and love and at the end everything comes out delightfully well.

The cast embraces a large gallery of salient American types, indeed, the comedy may be said to be racy of the soil. "The Fortune Hunter" goes deep into the heart of every true American, but withal is put together with amazing technique; it is a play wholly inspired by American ideals and American humor.

Edward Lyons, Louis R. Bellman and B. H. Hoyer returned Wednesday evening from a short hunting trip a few miles south of old Mesaba. The nimrods were disappointed in their search for big game, as noises from blasts at nearby mining properties and the absence of snow resulted in scaring away the deer.

RAILROAD MEN VISIT VIRGINIA

A. J. Carling, of the Northwestern Line; J. P. Gehren, district passenger agent of the Soo Line; J. A. Sheeran, of the passenger department of the Soo Line and A. O. Carlson, relief agent of the Iron Range road, were among the railroad men visiting in this city the forepart of the week. The passenger agents were here attending to matters in connection with the departure of local foreigners for the old country, while Mr. Carlson was relieving Agent A. L. Pryor, of the Iron Range road, who is spending his vacation at the head of the lake.

WISCONSIN EDITOR VISITS VIRGINIA

Editor P. A. Roberts of the River Falls, Wis., Times, was a Virginia visitor Monday afternoon prior to leaving in the evening on the Canadian Northern "Flyer" for International Falls where he has a home-stead. He will make a short stay at the Falls and may make a visit here while on his way back to Wisconsin.

A. M. Weiss and Alex Savolainen were among the Virginia pilgrims seeking deer at Wolf Sunday afternoon.

E. J. Jernstedt, the local drygoods man, was a business visitor at the head of the lake Sunday afternoon.

EDITOR ANDERSON ACQUIRES INTEREST IN GILBERT HERALD

Editor E. J. Anderson, who has been in charge of the Gilbert Herald for the past year and under whose direction the paper has made wonderful strides, last week purchased an interest in the publication. He was formerly employed in this city and was also a member of the Virginia City Band. He is a veteran newspaper man and undoubtedly will do well in the Gilbert field.
