MAKE BIG GAINS

Local Tailors Sell Popular J.
Frank Burrows Stock.

"A big success, right from the very opening of our sale," said Ben Friedman of Friedman Bros., yesterday, in discussing their great sale of J. Frank Burrows' stock.

"Burrows was a mighty good tailor and during his 15 years in Duluth had built up an enormous business. We are just now beginning to realize what an immense following Mr. Burrows had from the large number of orders we are getting from his old customers. Duluth men like to dress well and certainly hundreds of the best dressed men in town are looking more natty than usual this week, dressed in Tweeds and Worsteds of the Burrows' stock which we are now selling. Just as surely as men want good clothes they want right prices too. We are being congratulated every day on our advertising campaign, and are being asked to show the garments advertised."
