### NUMBER SHY ON MAYOR'S BUILDING

#### Hackensack's Chief Executive Delinquent Under Ordinance Providing \$50 Penalty.

Hackensack, Feb. 12.—Mayor Charles W. Hill, who has been a great supporter of the house numbering ordinance, which made it compulsory for the citizens to renumber their houses by Feb. 1, under a \$50 penalty, was somewhat tardy yesterday when Policeman Burke, sent out to look up delinquents, went into the Mayor's office in the Bergen County Democrat building and greeted him the new number of the building.

"No, no," replied the Mayor. "I don't see your number around," he casually remarked the policeman.

The Mayor admitted that during the past month he had been so rushed with his new paper that he had forgotten to attend to it, but he immediately sent out, and the number was tucked on.

### WHITEWASH REPORT PUT OFF ONE MORE WEEK

Trenton, Feb. 12.—The report of the Hinzers Investigating Committee for Bergen County was not handed in to the Legislature this afternoon although a positive announcement had been made that the report would be in to-day. The Jersey Journal published the report last Friday and as the document is already public property, the fact that it was not formally presented to-day did not cause much surprise.

There have been a number of peculiar incidents in connection with the investigation and the formulation of the report that one more delay in the formal presentation of the report was accepted as a matter of course.

Some remedial legislation is advocated in the whitewashing document and as the Legislature will adjourn on March 22 every week's delay in the submission of the report will make it more difficult to enact the suggested legislation.

Assemblyman Charles M. Egan who, as chairman of the committee, has been in the city since his arrival in Trenton, has not yet been heard from.

The document will surely be ready next week and on Tuesday next it will be before the Legislature. I don't believe it will be any more delay after this."

Eager, is one of the most popular and efficient members of the law in Bergen County.

Following the incorporation of the Borough of Tenafly in the spring of 1911, he was appointed chief of police.

Mr. McLaughlin has been in the chief of police position since Jan. 1, 1910, when he was promoted by Mayor William P. Eager, is one of the most popular and efficient members of the law in Bergen County.

CHIEF MCLAUGHLIN.

1891, Sergeant McLaughlin was appointed a month Aug. 1, 1891, by H. R. Palmer, the first Mayor of the borough. In March, 1895, Sergeant McLaughlin was appointed an uniformed officer during the administration of Gen. Thomas L. James, who served as Postmaster-General in the Cabinet of the second martyred President of the United States, James A. Garfield, sergeant McLaughlin continued to serve as a uniformed patrolman through the administrations of Charles F. Bausch and John Ostermann, Jr., who were the immediate successors of Gen. James as Chief Executive of Tenafly, until promoted to the rank of sergeant by Mayor William P. Eager when the latter took the oath of office, Jan. 1, 1910.

Mayor Frederic L. Colver, on assuming the reins of government at the advent of the present year, reappointed Sergeant McLaughlin, and as the officer is still in the very prime of life it is safe to predict that he will continue to be a valuable asset to the borough.

### OLD GLORY PRESENTED BY ZOUAVES

#### Civil War Veterans Honor Pupils of Lincoln High School at Westwood.

Westwood, Feb. 12.—Col. John A. Murray in command of a dozen of the Civil War veterans from the ranks of the 15th New York Volunteers (Second Duryea Zouaves) stormed the heights of Westwood yesterday afternoon and presented to the pupils of the Lincoln High School on the anniversary of the birth of the great emancipator—Abraham Lincoln—an American flag which he declared was the greatest heritage of the coming generation.

Col. Murray said in part: "The grandeur and magnificence of the country for which we as veterans of the Civil War made every sacrifice is reflected in the grandeur and beauty of the American flag, the purity and unsullied of that flag to-day being the result of such sacrifice. Our country and flag were made possible by Almighty God, who in His infinite goodness and mercy sent forth the products which are the essentials of this great republic of ours. The greatness of our country to-day is the result of the unselfish devotion of its people in the past, and we to-day leave in the hands of the coming generation their greatest heritage, a heritage for which the loyal and patriotic children of our country died and died in the Revolutionary war and the wars of 1812, 1846, 1861 and 1898. It is the heritage of the veterans of the Civil War to the children to-day and to the children of their children, whose duty it will ever be to evidence the same unselfish devotion and if necessary fight and die for the greatest flag in the world—the flag of freedom."

Col. Murray was accompanied by Col. Alfred Atkins, past department commander of G. A. R. of New Jersey; Charles L. Dyer, past commander of the Second Duryea Zouaves; Lieutenant William B. Price; John A. Vanderbilt; Charles L. Hughes; James Henderson; Peter Hieseg, Alex S. Merritt, John A. Voorhees, past commander of the 15th New York; C. Ward Varian of Demarest and Major John Engle of Hackensack, the latter color bearer of the 15th New York Volunteers during the Civil War.

### WEDDINGS

#### Turrian-Howlett.

Ridgefield Park, Feb. 13.—The home of Mrs. Ellen Turrian of Winant Avenue was the scene of a wedding Saturday evening, when her only daughter, Rotalie, and Leander Howlett, formerly of Philadelphia, were united in marriage. Rev. A. L. Wilson performed the ceremony.

The bride was attired in her traveling suit and was unattended. Only the family and a few immediate friends witnessed the ceremony. Immediately after the wedding the bridal couple left for Niagara Falls, where they will spend their honeymoon, and the guests enjoyed a hearty fare in New York City.

Mrs. Howlett will reside in Harlem upon their return. The couple were the recipients of many handsome and useful gifts.

Fels-Naptha to the Rescue.

Miss Dainty—"Oh, Anty, John and I were caught in the automobile and something went wrong with the machinery. I got out to help. And—oh dear! the first thing I knew, I was greasy and grit from head to foot. My suit is ruined; I know it is."

Anty Frudge—"Don't worry about that, my dear. It isn't so bad at all. A little Fels-Naptha soap and cool or lukewarm water, and that suit will look as good as new in a jiffy. Fels-Naptha has been washing things clean for many years. Now run along and get your beauty sleep, and tomorrow we'll get at that suit with Fels-Naptha."

There's no need of slaving over the wash-tub every Monday morning; and when night comes, so tired out you can't even get a decent meal for your husband.

Try the Fels-Naptha way of washing. It will save you many a Monday backache and headache.

Fels-Naptha has its own peculiarities. It's made with the elbow-grease in it. You don't have to supply it.

The Fels-Naptha way is easy. Easy on the clothes and easy on you.

Just rub the Fels-Naptha on the clothes, roll them up and leave them in cool or lukewarm water for half an hour or so.

Give them a light rub to loosen the dirt, rinse, blue and hang up.

That's all. Fels-Naptha is the soap that works while you look on.

Think of it—no knuckling down to the washboard—no boiling—no steaming—no hard muscle work.

And you're done in half the time, too. Doesn't that mean a whole lot to you? Read the easy directions on the red and green wrapper. Then follow them closely. Use any time of the year.
