

EVELETH BUSINESS CHANGES.

(Range Bureau of the News Tribune.)

EVELETH, March 2.—Several business changes have taken place in Eveleth within the past few days. Nathanson Brothers yesterday moved their stock of clothing to Virginia where they will open a clothing store, the building vacated by them in the Monitor Hall block to be occupied by H. Periman as a clothing emporium. H. C. Barton of the Eveleth pharmacy has leased the building recently occupied by Ellis Brothers, clothiers, who have now an up-to-date department store in the Talboys block on Grant avenue.
