

NEW LAUNDRY TO BE INSTALLED IN HIBBING

(Range Bureau of the News Tribune.)

HIBBING, April 26.—Latz Bros., for some time engaged in the cleaning and dyeing business today announce that within a short time they will put in another laundry plant in Hibbing.

The building occupied by R. Weedling's store on Center street has been secured and the machinery and equipment will be installed within a month. The firm is already soliciting business and is arranging to have it taken care of by a Virginia concern until the new plant is in operation. R. Latz said this morning it was hoped to have the new place ready for business by the latter part of May.
