

Another Contest Scene from Old Picture

Miss Gladys Kenner, 422 South First avenue East, sent in the first correct answer to the movie contest two weeks ago, identifying the photograph as a scene from "Alias Mike Moran" with Wallace Reid and Ann Little. Last week the contest was crowded out by the printer. To Miss Kenner goes the weekly prize of \$1. Other replies called the picture

"Alias Mike Hogan," and "Alias everything else," as well as "Primrock Jones," "The Man From Funeral Range," and "Excuse My Dust."

Here is another scene from an old picture. Do you recognize it? If you do, speed your answer to the Photoplay Contest Editor. It is the first correct answer received that wins the prize.
