

New Business Block for Superior; Josephs & Shapiro Will Build

S. Y. Josephs and L. M. Shapiro have taken a 50-year lease on the site adjoining their present location and by July 1 will have erected thereon a two-story building connected with their present dry goods store in order that they may better handle their increased business. The firm will put in a larger stock, and when the new structure is completed they will have one of the finest storerooms in this part of the state. It will be so constructed that additional stories can be added when necessary.

It is only five years since Mr. Josephs started in business in Superior. The present location has long been too small for the business which the firm is doing. Last September the firm incorporated and took in L. M. Shapiro, who will be associated with Mr. Josephs in the new enterprise. The splendid basement in the new store has brought many inquiries from people who desire to rent this portion of the building. It will be one of the finest in the city.
