

# SHAPIRO MAY BE RULES' MANAGER

---

Last Year's Semi-Pro Baseball  
Champions Will Reorganize  
This Evening.

---

A meeting of tentative members  
of next season's Golden Rule baseball  
squad has been called for tonight at

---

the Golden Rule store, at which time a manager will be selected.

The Golden Rules won the Twin Ports semi-professional championship last year, and it is expected that they will try hard to repeat the "stunt" this year. Practically all of last year's members will sign up this season and one of the best teams ever turned out should result.

Although no one has definitely stated that he will run for the managership position of the team, it is understood that A. Shapiro will probably be selected by the members. Last year's aggregation was managed by Tony Lavell, who is now on the Pacific coast.
