

# TROUBLE BREWING IN FEATHERWEIGHT CIRCLES

---

Henry Azine, manager of Kid Azine, the 115-pound boxer, takes exception to the challenge of Abe O'Neil and trouble is in sight in the featherweight division. Manager Azine declares his protege is willing to meet O'Neil again, but does not understand the bet mentioned by the latter. Azine recently outpointed O'Neil in a bout on the range. Manager Azine asks that O'Neil post his bet with the sporting editor if he cares to do business.
