

FRIEDMAN'S BIG SEMI- ANNUAL CLEARANCE SALE

Ben Friedman, of Friedman Bros., tailors at 329 West Superior street, expresses himself as particularly pleased with the success of the semi-annual clearance sale his firm is conducting.

"Many men in Duluth," he said, "who had previously been in the habit of sending out of the city to have their clothes made have taken advantage of these sales to give us a trial order and we have had their business since that time. We have received a large number of such orders during this present sale.

"Peter Stokke, our designer and cutter, has just returned from a two weeks' trip east, bringing back with him new ideas and styles in men's clothing for the coming season, gleaned at the national convention of cutters and designers."
