

YOUNG DULUTHIANS TO GET EMBLEMS, HONOR BADGES

Mayor Magney Will Present Awards Today, in Recognition of Work at Public Playgrounds.

Mayor C. R. Magney will present the 1918 awards to young Duluth winners of the athletic emblems and honor badges at the playground festival this afternoon. This contest has been conducted for the last three months and all children attending any of the playgrounds were eligible.

Points have been awarded for athletic stunts, for helpful deeds, attendance at picnics, chores around the home, war gardening and similar work. Those who have won 600 points, but less than 1,500, will receive the athletic emblem and the children who received 1,500 or over will be given the honor badge. Three classes, according to age, have been made. Those who will be given badges at each playground were announced yesterday by Director J. R. Batchelor. Points are given as gained by each pupil:
