South Side residents report that porch prowlers are busy in that section of the city. They seem to particularly devote their attention to stealing food supplies from ice boxes and several homes were reported visited last night. Tramps are held responsible.

Repairs Nearing Completion.

Remodeling and repairing of the Swedish Lutheran church, corner of Cleveland and Poplar are nearing completion and will give that denomination one of the finest church homes in the city. New pews and furniture for the church have been ordered. It is not expected it will be ready for dedication until some date in October.

Steamship Companies Resume.

The American Exchange bank was this morning notified that the Cunard line has resumed steamship service from New York to Apworth and London, England. A general advance in the rates of passage is also announced. A new schedule has been prepared for the Cunard boats and trans-Atlantic traffic was resumed the first of the week.

Automobile Tires Go Up.

Local automobile supply dealers today announce an advance of 20 per cent in the price of automobile tires effective at once. The increase in price is occasioned by the war in Europe. More than half the entire world's supply of automobile tires is manufactured in Belgium, where all manufacturing industry is now at a standstill because of the war.

Deserted by Husband.

Mrs. Steve Pollak of Eveleth, this afternoon appealed to the Virginia police to assist her in finding her husbnd who according to her story deserted her four months ago and left her to care for their two small children He gave her a five-dollar bill and said he was coming to Virginia to work. Since that time she has not heard from him. The local police know nothing of Pollak.

On Long Auto Trip.

Mr. and Mrs. Fred B. Mott of Hibbing and Mr. and Mrs. P. Erickson of Virginia are a quartette of range people on an automobile tour through northern Minnesota, Wisconsin and Michigan. Letters received from them today locate them at Oshkosh. They have visited Duluth and Ashland and will later go to Marquette, Houghton and Green Bay. Good roads and ideal weather have made the tour a highly enjoyable one. Mr. Mott is superintendent of the Hull-Rust mine at Hibbing and Mr. Erickson is general pit foreman for the Oliver Iron Mining company in the Virginia district.

Writes Dr. Colgrove.

Nathaniel Quickstead, chemistry teacher in the Virginia schools, who was a passenger on the Kronprinzessin Cecilie, turned back at the Azores on account of the war and which put into port at Bar Harbor, Maine, last week, writes Dr. Colgrove that he will go to Niagara Falls for a short visit and will then go to the University of Chicago to do post graduate work before returning to Minnesota to take up his duties in the Virginia schools. Mr. Quickstead says the ship sighted the English coast and that the experience of running through a dense fog with port holes blanketed and all lights extinguished while the passengers were harly allowed to speak above a whisper, is one he will not soon forget.
