

NEEDLEWORK GUILD PLANS PROGRESSING

The Duluth branch of the Needlework guild of America is bending every effort toward making this year's "Round Up" Nov. 3 a mammoth one. All who have contributed to it in past years are being urged to do so this year, and those who have not been interested in "Round Ups" of preceding years are being reminded that there is likely to be an unusually large amount of suffering among the poor this winter. Already many appeals have been made to the section presidents for clothing.

Those contributing clothing are being asked to write plainly on the outside of each garment its size, to facilitate distribution. Warm underwear and good plain blankets are especially desirable, and the section presidents are emphasizing the importance of these.

Persons wishing to become contributing members may send two garments to the following list: Mrs. S. E. Atkins, Mrs. P. S. Anneke, Mrs. Ward Ames, Jr., Mrs. M. E. Allen, Mrs. A. Abraham, Mrs. D.
