MISS HAZEL SAPERO.

CHISHOLM, April 15.—Another state honor in public speaking was added to the list which Chisholm students already hold when, on April 3, Miss Hazel Sapero, a senior in the Chisholm high school, won first place in the annual state dramatic contest held at the Northwestern School of Music and Expression in Minneapolis.

Miss Sapero earned the right to appear in Minneapolis by winning the district contest held at Hibbing on March 20. Her selection for both appearances was a scene from Zangwill's "Melting Pot."

Professor Graham, the judge of the state contest, declared Miss Sapero's interpretation of the scene had all the merits of a professional rendition.

Last year Chisholm's representative, Miss Rita Lewis, took second place.
