

# FIRST BOAT OUT BRINGS IN 1,500 POUNDS OF FISH

TWO HARBORS, March 31.—The small freighting boat "Elvina," made a trip to Thompson's beach near Split Rock, returning with about 1,500 pounds of fresh fish. The Elvina is owned by E. Kenner of Duluth and is the first boat to venture out of the harbor this season.

The crew reported the lake clear of ice and expect to make regular trips from now on. The other boats also are making preparations for spring freighting.
