

# BASEBALL SERIES

## WILL START MONDAY

---

Next Monday afternoon will mark the opening of the Central high school interclass baseball series, when the freshmen will meet the juniors at Twelfth avenue East and London road. This was the decision of a conference of the class captains held yesterday afternoon at the school.

Tuesday, the seniors will meet the sophomores; Wednesday, the freshmen and seniors, and on Thursday the juniors and sophomores. This is as much as has been done on the schedule; the remainder of the games depending on the number won and lost by each class.

Rigid practice has been undergone for the last two weeks, and lively contests are expected to develop. The interclass series will be all in the way of baseball this year, as the idea of a scholastic team has been abandoned. The class captains, who will lead the teams through the series are: Seniors, Isadore Karon; juniors, Gerard Spencer; sophomores, Mandy Rosenberg; freshmen, Montgomery Whitmore.
