

COLLECT FUNDS TODAY FOR JEWISH WAR SUFFERERS

Duluth Relief Committee to Conduct City-Wide Canvass for Funds—Pythian Lodge Will Aid Workers.

Collection of funds for the relief of Jewish war sufferers will be conducted today by members of the Jewish Central War Relief association.

Spalding hotel headquarters and the Duluth banks will receive subscriptions.

Included in the campaign this week to inform Duluthians of the relief day were announcements flashed on screens of every theater in the city where moving pictures were shown. Parcels sent out by department stores and shops bore neatly printed cards appealing for funds.

North Star lodge, Knights of Pythias, is taking a prominent part in the work, subscribing to a dollar fund, which will go to Jewish sufferers in the war zone.
