

VIRGINIA RELIEF

FUND TOTALS \$1,200

War Sufferers.**

VIRGINIA, Jan. 28.—Julius Shanedling, treasurer of the Virginia Jewish relief fund committee, stated today that over \$1,200 has been raised by the Virginia district for the relief of the Jewish sufferers in the war zone. "The weather," he said, "made collections slow and more difficult, but the people were liberal and many sent in donations without being solicited.

"Virginia has given over \$900. Elwabik's donations totaled \$150 and Aurora's \$75. The committee has also raised money in Mountain Iron and I am confident that the total will be several hundred more than we had even hoped for."

Treasurer Sam Siegel of the Eveleth committee reports that the campaign was very successful. With the funds collected by the committee in the Eveleth district, he is confident that the eastern Mesaba total will be over \$2,000. The Eveleth committee worked in Gilbert and at the Genoa, Elba and Sparta locations, where they raised some funds.

The territory was divided into small districts. Frank Rabinowitz, Jacob Stein and Sam Siegel collected \$103.10; Sam Ellis, Louis Rubenstein and Louis Siegel, \$67; H. A. Levant and G. H. Perlman, \$34.40; George Mesberg and Nathan Karlensky, \$32.58; Joe Feinberg and S. Messiner, \$19.75; Solomon Sax and Abe Goldberg, \$17.13; Frank Weinberg and M. Kaner, \$14.25; H. Siegel and J. Winer, \$13.72; Harry White and Joe Learner, \$4.85. The Jewish boys recently turned over \$50, raised at an entertainment, and with the other funds sent in directly, the donations have been liberal.

The committee continued its work today, as the weather was so disagreeable yesterday that all business men could not be visited.
