

ZENITH COUNCIL RECEIVES BANNER

Reward for Showing Largest
Increase in Membership,
to Duluth Salesmen.

ONE MORE CONVENTION

Delegates Prepare to Leave
for Grand Assembly at
Columbus, Ohio.

One more convention—the grand convention at Columbus, Ohio, June 27, remains for Zenith council No. 40 U. C. T., before the season's activities close. Charles W. Sutton, secretary of the local lodge, will leave tomorrow to attend the assemblage of secretaries and George M. Peterson, a delegate from the Minnesota-North Dakota district will leave later in the week.

As a result of the district convention at Minot, the lodge is now in possession of a handsome silk banner awarded to the council having made the largest membership gain during the year. The Duluth men increased their roll by about 40 per cent during 1915-16.

Joe Egan, Virginia representative for Crane & Ordway company, was in the city Friday. His mother from St. Paul, met him here and together they drove back to the range town.

R. T. Johnson of Dubuc, Iowa, was a visiting guest of the local lodge over the week end.

Jack Flder, who returned Thursday from a four-day trip to Grand Marais, left Saturday for Pierz, Minn., where he will be married.

Condolences are being sent by members of the local lodge to the surviving relatives of Joseph D. Sattler, who recently died in Milwaukee. During his many years of residence in Duluth he became known to all the "knights of the grip."

Ed L. Chalk will leave today for a two weeks' trip on the range.
