

Music at Boat Club

Begins at Noon Hour.

For the first time this season music will be an accompaniment of the luncheon today at Duluth Boat club. Every day from now throughout the summer there will be music at noon making an enlivening element for hostesses who wish to entertain at luncheon. Beginning Monday night there will be music regularly every night for dancing. This will be good news for members of picnic parties who have been looking forward to this delightful close of a beach party.
