

# LIBBING GIRL PRAISED

BY WALTER DAMROSCH

---

Miss Weissmueller and Mrs. A. Meloche are receiving congratulations of their friends as a result of their interview with Walter Damrosch, symphony orchestra director, while he was in Duluth.

They were accompanied to Duluth by Miss Radonna Hallock, a pupil, who played Mendelssohn's Rondo Capriccioso before Damrosch.

"You have been well taught," he said. He advised her to attend the Damrosch institute of musical art or the David Mannering school of music in New York city.
