

WEDDING EVENT OF WEDNESDAY

MRS. ARTHUR MARK (MISS ROSE GARISH).

A pretty home wedding took place at 8 o'clock Wednesday night, when Miss Rose Garish became the bride of Arthur Mark of this city, formerly of St. Paul. Rabbi Teplitz performed the ceremony. The bride was attended by Miss Betty Arnovitz and Miss Lena Sosnosky. Henry Garish, brother of the bride, was best man. Chauncey Miller, pianist, and George Casimir, violinist, played Mendelssohn's wedding march.

The bride wore a gown of white Georgette crepe, trimmed with lace, and carried a shower bouquet of bride roses and lilies of the valley. The bridal veil was caught with lilies of the valley.

The bridesmaids were gowned in pink and blue taffeta, trimmed with silver, and wore corsage bouquets of pink sweet peas.

Following the ceremony dinner was served to 50 guests. The out of town guests were Mr. and Mrs. B. Miller, Chauncey Miller and Harvey Miller of Eau Claire, Wis., Mrs. H. Krelof and daughter, Miss Aberley Krelof of Milwaukee.

Mr. and Mrs. Mark left for a trip to Minneapolis and St. Paul.

the nation, caring for the fighting men and their dependents at home.

The Red Cross is the only organization authorized by the government to render war relief service. It acts under a charter from the government. Congress passed the act incorporating it. This act made the President its official head and placed representatives of the army and navy on its directing staff.

In other words, the Red Cross is officially as much a part of the government machinery as the army itself.

Despite this official standing, however, the Red Cross must depend upon voluntary service of women and men. It is the great volunteer army that is serving humanity as well as the nation. And it is an army made up largely of women.

Former Premier Asquith has asserted that credit for the successes of entente arms belong as much to the

women of England as to the man actually fighting the battles.

Without the women England neither could have raised the army she has nor filled the gaps in her industrial ranks made by the voluntary enlistments of her men workers.

Every nation has in its history women who were leaders of fighting men. Nowadays feats of arms are not expected from women. There is no call for a Deborah, a Joan of Arc or a Molly Pitcher. But there is a call for women actuated by the same spirit of service, and thousands of them are needed in America today—women who will carry forward the work begun by Clara Barton and Florence Nightingale, women trained and ready to do the work they alone can do.
